

Standard "Spin" Flags

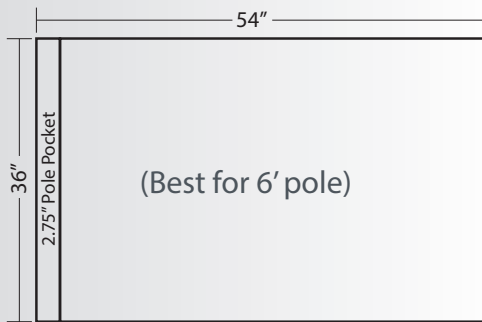

www.FLASHVisualMedia.com

877-660-0492

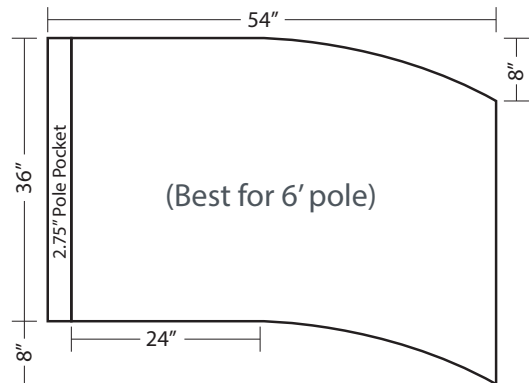

May 2018

FLASH Visual Media printed performance flags feature/include:

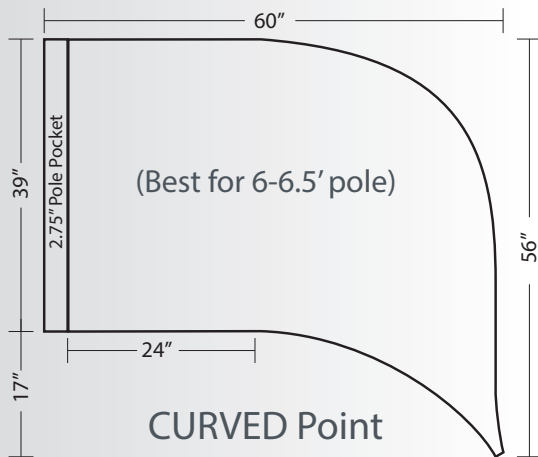

- Industry standard for poly-china & lamé fabric, allowing for 100% bleed-through.
- Latest in technology for printing, resulting in vibrant colors on both sides of flags.
- Highest quality of construction and finishing, using double-folded and double-stitched hems with reinforced corners.
- Quick-turn production, shipping within 10 business days AFTER final artwork has been approved and Payment/PO has been received (turn time may be longer during peak seasons).
