Percussion Gong Stand - FCGONG

The **FC Design Corps** Gong Frame has an interior diameter of 44” and will suspend a gong up to 40” in diameter. This frame is also height adjustable to really put one of the most recognizable percussion sounds on display! All stress points are welded 360° and ground flush. The frame is powder coated for a superior, long-lasting finish. Add a Corps Design cover FCGONG-CV to protect your instrument.
