PERCUSSION LARGE SPEAKER FRAME - FCSPKL

The **FC DESIGN CORPS** Large Tilting Speaker Frame features a locking tilt mechanism to position your field PA for maximum effect. Both decks are 30" x 38" to support large subwoofer and main speaker configurations. Both decks are covered with all-weather carpet. The upper deck has a safety stop in case an over-enthused band member attempts to adjust it while it is loaded! The back support struts are spaced to accommodate rack rails. All stress points are welded 360° and ground flush. The frame is powder coated for a superior, long-lasting finish.

Upper Deck - 38" x 30". Lower Deck - 38" x 30".

Space between decks - 29".

Height - 65". Total footprint - 40" x 40".

Tilts to Level, 10°, 20°, 30°

Accessories/Add-ons are available for FC DESIGN CORPS products.

All **FC DESIGN CORPS** Products are made in the USA and come with a limited 3-year structural warranty.
