VISUAL Adjustable Vertical Backdrop Panel

The **FC DESIGN CORPS** Adjustable Vertical Backdrop Panel is great for indoor/winter season. Adjustable height allows frames to go through standard 6'6" doors. The design makes it easy to move, store and transport.

FCSLVA51

5' wide x 6'6" tall, expandable to 10' tall.

Includes vertical Flag holders on back side, 4" casters, and pitch locking mechanism.

Accessories/Add-ons are available for FC DESIGN CORPS products.

All **FC DESIGN CORPS** Products are made in the USA and come with a limited 3-year structural warranty.
